Key Themes

Students recommended that they would like to see anonymous marking for exams/coursework

Students felt in order to have a more inclusive curriculum they would like to see more BME Professors

Students generally felt that LSBU reflected a diverse student population, however they did specify they would like to see more integration

Student believes LSBU has inclusive and welcoming learning environment

Students felt that LSBU staff are generally very knowledgeable and helpful

"The university has helped me build so much confidence that I lacked in high school due to being one of only three black people in my whole year of over 300 students. I was so surprised when I came to LSBU. It opened my eyes and made me so comfortable. It bought out the real me"

"I am a minority in my cohort but have made friends with everybody without exception, these people are open, intelligent and giving and I'm proud to know them"

"LSBU may be ethnically diverse, but the interaction between students is based on ethnicity. Students tend to segregate themselves, and rarely mix during lectures"
